“ Weeze (Louise) was a very special lady. She made everyone welcome from the time they walked in the door. She and I had many visits- and each one was memorable and uplifting. She made my day better every time I went in. Thank you- Louise. We spoke many times of the music and times of the 50's and 60's.

“ I worked for Weeze and Delacey for 10 years on the weekends and so did my daughter Hannah. I think about those times often and miss your smiling face and the times we had. You were always a gentle soul and sweet to everyone. Love you Louise and may you rest in paradise.

“ Louise was a very special lady and I feel privileged to have known her for many many years. She loved what she did and loved the people around her. It seemed her 'wants' was few but her 'giving' was great. Her family, friends and weeze family always benefited from her love, laughter and sparkle in her eyes. Louise...from whatever chair you are sitting in up in heaven and looking down on the rest of us with that smile on your face...know you are loved and missed and we all know we're better people for having had you in our lives. RIP
