“ *Aunt Lovenia lived a full life. One way she did this was through giving to and thinking of others. I remember as a young child hearing how my Aunt sponsored a less fortunate child for many years. This was the first time I had heard of someone actually doing this sort of thing. This never left me and years later inspired me to follow her example of caring beyond my personal world for someone else less fortunate. Thank you Aunt Lovenia for a life well lived in every way. Your name spelled with Love in it reflects the life you lived. Your light still shines and inspires brightly.*

“ With sympathy and best wishes to the family on Loveina's passing. I had the great privilege of meeting Lovenia a number of years ago on a family vacation with my wife (Loveina's niece) Kathleen and our two daughters. She was warm and welcoming and every bit as delightful as I had come to expect from her annual phone calls just before Christmas. A fond memory.

“ What a wise and wonderful person Grandma was. Many fond memories of visiting as a child, she always had home made cookies ready for us. She will live on in our hearts and memories forever.
