“ *Lyle was a good friend from grade school on. He lived one block north of my home. In grade school we rode our bikes together a lot during the summer months. He had a knack for making things in their garage. We also worked together on some high school projects. He usually carried the brunt of our assignment! He had a nice '62 Impala in high school. Raced him once with my '64 Impala! In later years we would only see each other at school reunions. My condolences to Lyle's family. It was my pleasure to have known Lyle & be his friend. “ Dear Family, We are so sad to learn Lyle Dean passed away. He was my first cousin, along with my siblings, Max, Bob, Don, and Karen. His mother and my father were siblings. We enjoyed spending time with Lyle all through his younger years, and kept in touch in his adult years. He was very special to us! He was a very smart, creative person. We send loving thoughts to Carolyn and all the family! Jerry & Ellen Dougherty
