“ *I worked with Madeline at Coop Refinery for 5 years. She was like a sister to me, sharing her recipes & family traditions. This went on even after I left Coop & raised 3 of my children. She even offered to babysit for me. I loved her like a sister, but sort of grew apart when she moved to Parsons. I will miss her Christmas cards & occasional phone calls over the years. She was so surprised & pleased when my youngest granddaughter was named Madeline. I share your sadness & I, too have wonderful memories of our time together even tho it has been many years ago. She was a great friend. Vesta Murdock, Coffeyville, Ks.*
