“ *I think about you often. Of the time we spent just talking (me not teaching you) but we were both learning just the same. I remember when Ziva was born. You were amazed and she was beautiful. You were a such a sweet soul. I have wonderful memories of you, and since we share the same birthday I always think of you. when I blow out the candles (and there are many more of them now) I'll say a wish for you and your family.
