“Marilynn Lett loved her family.. She leaves behind her 3 sons Robert Glen and his wife Debbie who live in Bartlesville. Billy and his life partner who live in Florida. James Glen of Ramona. And her only daughter Annette Glen and her life partner Paula. Marilyn who was originally from the Tulsa area moved to Ramona 20 years ago ,at the request of her son Jimmy (James) Glen. James wanted her to be there close to him and his family and promised her that he'd take care of her if she would move next door to him. So that's what she did. She got to watch her 3 grandchildren grow up and was involved in most aspects of there lives as they went through their growing pains. She loved it. She watched as all three of them grew up got married and had children of there own. She considered herself lucky to have that experience . Nothing meant more to her than her family. She was a former military wife and proud member of the American legion post 334. She had recently taken a trip to Mt. Rushmore and to Devil's tower with her daughter Annette Glen and Paula. She got to mark that off her bucket list! If you were to ask her if she had any regrets,her answer would've been that she regretted not being able to spend more time with her great grandchildren,whom she loved with all of her heart. She was a beautiful soul. And she will be missed dearly. We comfort ourselves in this time of sadness,knowing that she rests peacefully in God's loving hands until we see her again
