“ Mark & I shared many years together. When we loved we loved hard & when we fought we fought hard. I have many good memories of our lives together. I thought & prayed for you often. I believe that you are with your Mom, Dad and the family members that went before you. You will be missed by those that love you. I refuse to tell you Goodbye because that was something we never said to each other, but I will tell you Later. Thank You for being part of my life. We shall meet again. Love & Peace.
