“ *So sad to see such a young man leave this earth so early. I worked with his father Joe Cox at Phillips and that's all Joe could talk about was his son Mark. He was such a great golfer and Joe had to tell everyone that would listen. This young man was such a great human in Joe's eyes that he could do no wrong. He will be missed.*

“ *Mark was always willing to help those in need and he loved the game of golf. I believe he still has the course record at Falconhead, near Marietta, Oklahoma. He left us too soon, but we will cherish our memories of the man and his golfing stories and experiences.*

“ *So sorry to hear about Mark's passing. Had many a "spirited" golf game with him when we were younger. Was able to see him the last couple of times I was in B'ville and enjoyed our visits. I even have a golf ball he signed years ago when we were playing and I shot my lowest round ever. Mark had a great heart. I will miss him*
