“ Sorry to hear about Mark's passing. I grew up in Oak Park and was a classmate of Marks. A long time ago but I too remember the semi-famous poison ivy incident that Susan tells about. Quite a sight for sure.

“ Dear Evans family. I am so sorry to hear about Mark's passing. As a former Oak Park person, I have a lot of memories of Mark. One that has come to mind so often was our fifth grade play and what he did before it. Several of us were at the park. We saw some poison ivy. Mark boasted that he did not get poison ivy. He proceeded to rub it all over his face. Needless to say, in a day or two and certainly in full force, the poison ivy took hold. He danced with Janelle Strode or Kimi Wells with his face covered with it and eyes so swollen he could barely see. That was a play/dance to remember.
