

## Mark Anthony Murguia

April 22, 1955 - December 15, 2019

Mark Anthony Murguia, 64, of Bartlesville, OK, passed away on Sunday, December 15, 2019, having just enjoyed a Cowboys win, and surrounded by the love and strength of his wife, Donna, and his sister, Patty. Mark, Dewey High class of '73, had returned to the area with his wife to retire, after 29 years of working and raising a family in Mesquite, TX. In retirement, he spent his time volunteering for the local Habitat for Humanity, and Concern, and was also an active member of Dewey First Church of God.

Mark had a gentle spirit, and a live-and-let-live attitude that belied a dry, sarcastic wit, and a withering eye roll. A lifelong introvert, he chose the timing of his words carefully, but when he opened up, you knew that something good was coming. A quietly generous man, he put the needs of others before his own, and was happier in the background, often picking the hard jobs without desire for recognition. He had a deep, abiding faith, and an unending loyalty to his friends and family.

Mark loved to spend time with his family and his dogs, watch Andy Griffith reruns, listen to good music, solve issues with the Sooners' football program with his brother Tim, and perfect his salsa recipe. He will be deeply missed by his many friends, his extended family, and his children, Paul and Jessica.

A remembrance and celebration of Mark's life will be held on Monday,

December 23rd at The Dewey First Church of God, 222 S Osage Ave. Dewey, OK 74029 between 2 and 4p.m.

In lieu of flowers, his family requests that donations be made to either Bartlesville Habitat for Humanity, or The Dewey First Church of God.

“ *I have never been at a loss for words, ever but I am now. I always thought you would be there and you, Robert and myself would always be the three amigos. For 50+ years you both were my best friends. Though we lived in different cities you were there and if we ever needed each other, we knew we all were there to help. From my first days in Dewey in 1969, our days at First Church of God and growing up you were always my laughter at our many adventures and our even more so misadventures. A friendship we had exceeded any relationship I had with any of my family and there is a hole in my life. You, Donna and Robert were always with us from the lowest points in our lives to the highest points, the constant being you always were there. I waited to write this to wrap my head around you not being here but I know where you are and I have talked to you there in Heaven. I know Robert, Colton and you are together continuing the laughs which comforts me but it doesn't make any easier and hopefully Heaven has tacos and enchiladas for that day when we are all together, just trying to figure out how to get the Trophy there so I am not stuck with it, which I never thought would happen. You were a foundation and major part of my life and I cherish that, I love you my brother. Always, Glenn and Rhonda Mangold.*

“ *Dear friend, we grew up on the same street and our parents were best friends playing pitch every Friday until they all passed. You were more like another brother than friend, and you were such a kind and caring person! Rest in peace and say hello to all yours and my family and friends and keep a place for the rest of us!!
