September 6, 1957 - February 27, 2020

Mark Stephen Perrey, 62, of Bartlesville, Oklahoma went to be with the Lord on Thursday, February 27, 2020.

Mark was born on September 6, 1957, in Jefferson City, Missouri to parents Nelson and Catherine Perrey. He attended college at Southwest Missouri State University and received a degree in Computer Information Systems.

Mark married Teresa Roy Perrey in 1980. In 1981, he began a career at Conoco Phillips, retiring in 2016 as a Senior Systems Analyst after 35 years of dedicated service. When Mark wasn't traveling the world with Teresa and friends, he was fishing, walking the Pathfinder trail, volunteering, and being the best grandpa. Mark was a faithful member and Deacon of the Adams Boulevard Church of Christ and could be counted on to fix any computer problem. He was a wonderful Husband, Dad, Brother, Grandpa and Friend.

Mark is preceded in death by his parents.

Mark is survived by his wife, Teresa Perrey; sons, Christopher and wife Anna Jane Perrey of Wichita, KS and Alan and wife Angela Perrey of Norman, OK; daughter, Adrienne and husband Brock Robertson of Cypress, TX; brother, Dale and wife Terri Perrey of Austin, TX; sisters, Mary Schepers and Karen Perrey both of Jefferson City, MO; grandchildren, George and Betsy Perrey, Harvey and Elliott Robertson, and Atticus Perrey; five nephews and three nieces.

In lieu of flowers the family has asked that donations be made for the Casa Angelina Orphanage in Guatemala, where Mark has served on many mission trips. Checks may be sent to Adams Blvd Church of Christ or donations may be made on their website under the "Give" link.

A memorial service will be held at 2:00 P.M., Monday, March 2, 2020 at the Adams Boulevard Church of Christ.

“ *Mark and I started working together when Conoco and Phillips 66 merged in 2003. Mark was my first main contact in SAP when I moved over from Ponca City to Bartlesville. Early on we had many arguments and we did not get along very well. But slowly and surely we worked on many projects together and he became my most trusted technical advisor. Mark was gifted and became one of the best technical SAP consultants in ConocoPhillips. He was also a considerate man and freely offered his time to help many people with a myriad of technical issues. His willingness to share his valuable time and skills was a measure of a generous heart and helpful spirit. Mark was a good Christian man and I very much respected him. He will be missed and he leaves a wonderful legacy for his family. I look forward to the great reunion in heaven where we can share notes and exchange stories again!!!*

“ *It is unbelievable to me that Mark is gone. I just can't wrap my head around it. Teresa and family, I worked with Mark for a long time and he was the guy I went to when no one else could figure a problem out. He was a super smart guy and someone I always wanted on my side. I am so, so sorry for your loss.*

“ *I have known Mark for as long as our children, Chris and Anna Jane have been married ... 12 years. Since we first met I knew immediately he was an exceptional man. Turns out he's good at everything! For me it was his love for his family that impacted me the most. I just wish i could thank him for helping me be a better Grandpa.*

“ *Mark and I happened to be in the foyer at the same on Sunday and I complimented the room that the 5th and 6th graders painted. He smiled and said he was a little worried that the job might be too much for them. Then he beamed with pride as he told me how hard they worked and what a good job they did. He was so proud of those youngsters.*
