“ I have to say, MOTHER'S DAY has become the One day that I truly dislike.

Reason is, I was not always there for My Mother on the one day she deserved to know and feel how much she was truly loved, and appreciated for having to raised all (6) six of her babies . When God called our Daddy to be with him. But Mom wasn't alone, SHE had God and Jesus with her every step of the way. She bestelt, truth, honor, compasion, taught us the true morals that Our God exspects all his creation to abide by.And most of all to thank God every day for what he has given us,and to trust in him for all things.

What I hate most, is I will never be able to tell her, and let her know how much I love her.

I will always remember her smile.

Memorys are all I have, I should have let her know every day how much she meant to me.I would have many more. I Love and miss you every day. 🌹 🌹

“ I hope You are loving and acting accordingly towards your family, Your In-Laws, but especially, The Children. There are no Step, Ex, half, his, or hers, They are Gifts from God. Hence: The word RELATIONSHIP GOD giveith, but also can, and will takeith back. Don't sink the Ship.... and be the lone survivor....

“ *Finally
The sun comes up
the lights go out.
The birds sing.
The dogs bark.
The sun goes down,
the lights go on,
The lights go out.
Sleep comes,
The trumpet blows.
A new day begins.*

Carrie Garson - December 26, 2016 at 12:58 AM

“ I googled what the Bible said about death, Anyways, It said God takes the last breath, The breath of life he gave you when you were born, and then you fall asleep until The trumpet blows and Jesus comes for all that believes or believed in him, Jesus Christ, Our Heavenly Father, God.and lived our lives accordingly , of course looking over some of the minor discretions we all make.Mom once told me, not too long ago, that she thought sleeping, and dreams had to do something with when you die. Therefor reading what I had googled, and remembering her talking about things like that I feel some, if not but just a slight of I don't, maybe, comfort.like when your haveing a really good dream, and then you get woke up,and your back into reality..yeah.Any ways Sweet Dreams Mom Thinking of you and everybody else Daddy, Lee, George, Bob, Wesley, paul, Buddy, Miguels daddy, Antonio, him and Bob would hit it off just fine Lol.Grandma, and Grandpa. and Grandma Gerty

Carrie Garson - December 26, 2016 at 12:20 AM

Thinking of Uncle Alfred, Uncle Sammy, and Uncle Vernon, Aunt Rida.and Aunt Mary Joe If they were all to get together, I could just i magine the things going on and what was happening during one of their little get togethers.

“ As I awoke this cold and rainy day
the realization of the events from the day
before hit me.

*Today is the first day, my mother
is no longer on this earth.*

*Today is the first day I can no

*Today is the first day I can no
longer confide mother to daughter
together.*

*Today is the first day, my mother

*But as this first day ends
I lie here thinking of yesterdays.
remembering that she taught us that
Jesus is in our hearts , so she shall
always be in our hearts also.*

I love you Momma.
