“ I met my dear friend Marjean at Hopestone Cancer support group. When I introduced myself she instantly recognized my last name. She asked if I was related to Frank and I told her that he is my husband. Frank and Marjean had worked together years ago at Phillips. We became good friends and enjoyed seeing each other at support group, paint n pours, and talking on the phone. The last time that I talked to her was right before her surgery and we told each other that we loved the other one and she asked that I pray for her. I am going to miss her phone calls and going to the support group meetings together. Please know that she spoke highly of her family and that you meant more to her than anything in this world. RIP my sweet friend!! I will see you again!!

“ Russell, Kim, Brenda, Phil and all of Marjean's family, Wanted to send my condolences to you all, on Marjean's passing. What a wonderful woman she was, wish I had known her longer than I did. But, those few months, were a blessing for me, as I saw Marjean battling her health issues, and during it all, never giving up. I saw her faith in Christ Jesus, as Lord and Savior, and knowing, that she now walks hand in hand with Jesus, in heavenly bliss, and it just doesn't get any better than that.

Let me end with this blessing by our Almighty God the Father, may it bring peace and comfort to all in Marjean's family.

Numbers 6:24-26
