“ With special thanks in our hearts for Mary from the Burns Union High School alumni family for making our lives so much better all those years ago. It was entirely in her character to devote her life to helping others. Though it has been nearly fifty years since she left Harney County, the memory of her being still remains clear. Sincerest condolences to Mary's family and loved one.

“ I lost a great friend, who will never be forgotten! I worked with Dr. Weare for 30 yrs, she always had the nurse's back in such a difficult field of medicine. She really was a lovely person and a great friend to me. We shared my laughs together! She taught me how to be a good psych nurse and a better person. I really will miss her, and will never forget her. My heart bleeds for you John...

“ My thoughts and prayers are with you and your family. I pray for your comfort and Peace. My heart truly breaks for you. I pray for all of those who loved her, for I know there are so very many. The world lost a true Angel. She was an Angel who in every sense of the word quite literally saved my life. She was a Teacher of sorts and I her student. She took a frightened little girl by the hand and helped her claw her way out of the dark. She gave her the courage to spread her wings and become fearless and confident. She gave her hope for the future. She helped her believe that she was worth being loved. And she helped her believe that she IS a good mother. I'll never, ever forget you. I'll never be able to thank you enough. But I will live all that you taught me. Thank you for saving me. Thank you for teaching me to be fierce and how to love me. GOD Speed to you. May you RIP.
