“ *I am so sorry for your loss. Mary was such a wonderful lady. I know you will miss her terribly. I am also sorry I am so tied up with my kitchen remodel that I haven't been able to come down or attend the funeral. I have a worker here EVERY day. I hope to see you soon. I would have loved to see the kids. Always your friend, Rubyane*

“ Mary was one of the most efficient and productive people with which I worked over my 40 year career. More importantly, she was an exceptionally nice person who genuinely cared for those around her. The world was clearly a better place because of her and I consider myself fortunate to have worked with her the years I did. Our heartfelt condolences go out to those she leaves behind.
