“ *Mary Bruce and I worked together at Hoover Elementary. She was my friend and I appreciated her talent so much. I own two of her originals and treasure them. She was a special lady and I am sorry she has left us.*

“ *Bruce and I bumped heads a lot when we worked together but we became friends after we both left the company. She was spirited and lived life on her terms. She loved her kids when she taught art and they loved her back. She left this world a better place.*

“ *My condolences to the family. I know her entire 'lace' family will miss her smiling face. She was always so willing to share her talents and try new things. A wonderful soul is now in heaven. Joan*
