“ This week I had to say goodbye to my best friend and partner in crime. We went together like peas and carrots (what he would say). I want to thank everyone for the outpouring of love I have felt during this last week. Everyone who knew Matthew...really knew him...loved him because he had a kind gentle soul. He loved me...his kids...his family...and his dog...that's just how he was. He would give his last dollar to anyone in need...or the shirt off his back...and expect nothing in return. He had faith in god and I know he is in good hands. I didnt have him long enough...but I know I'll see him again. Fly high Jr.
