“ My mother was Matties youngest sister. When mom had her stroke I was not sure how I was going to cope with the situation. But Aunt Mattie was there to comfort me and help me through it all. I can't count the times she would talk to me as I cried on the other end of the phone. She gave me the love and support I needed at a time in my life when I really needed it. She is the last of the Robinson family, the last sibling. She will be missed. Aunt Mattie, I love you and thank you for all your love. Linda
