“ *Several years ago we had a fire in our attic. Had it not been for Max and Betty we could've lost our home. He made a mighty knock on our door! He was my hero! I know he's with our Lord and pain free! Our love and prayers for all of the family. Melda and Gary Howard*

“ Betty and family-so very sorry to learn of Max passing away. Rejoice that he is now free of pain and whole again. I had great pleasure in knowing you both before Covid took away our meeting place and daily luncheons at Delaware Tribal Elder Luncheon Program. How we all enjoyed our weekly Bingo games where Max did win frequently. Prayers and hugs for you, Betty, and the rest of the family. Please come back to us, Betty, for our lunches when you can-We all are thinking about you.

“ I have so many memories of Max coming into church, sitting in back, shaking my hand. He said “as long as I am able to walk I will be at church every week.” He did do that as long as he could. I’m so glad Jim and I got a chance to visit him at home a short time ago. We will miss him. I am so sorry for your loss!
