“ I've known the beaver family for a long time. Our parents went to boarding school together. Sheryl and I meant when we were in our early 20's. She's my best friend. Michael loved his sister and always took care of her.

Michael always had smile on his face. The last two years he was with Sheryl were very special. They had a very close relationship. He loved the lord. We loved Michael and enjoyed visiting with him at Sheryl and Tracy's home.

We will see Michael in heaven.

Love you Sheryl and Tracy.

Dearest Sheryl,

Although we've never met, I am deeply saddened to hear of your brother's passing. Both you and Michael are my first cousins. Your Mother, Charlene, is my Mother, Louise, sister.

I'm sure you have probably heard of us. Terry and I are the only ones left. Our brother Charley, passed away 5 years ago. And sadly, my Mother passed last October.

We are actually gathering together this weekend to have a Celebration of Life for my Mother. I wished you and your brother could have been more a part of our lives. I did meet your parents a couple of times and enjoyed every minute.

I hope Michael was not too ill for very long. I would have liked to had the opportunity to get to know him. Perhaps you and I can stay in touch somehow and get to know each other and share some stories.

Sending Peace and comfort to you and your family.

*Sincerely,
Kelly Riska*
