“ I was born on my brother’s birthday one year later. My mother said everyone thought we were twins. I always told him, Happy Birthday, I was his gift that just kept on giving. I loved his sense of humor. He loved electronics, ham radios, & trains. He loved his beautiful daughters. He loved working at the church. I am thankful for all the friends who came to see him in his last weeks of life, the caregivers from Comforting Hands Hospice, The Journey Home & First Church staff. I felt the presence of Jesus working on behalf of Mike and our family through many of you! Many of you held his outreached hand and prayed with him. Thank you!
