

Michael Eugene Haddock

March 10, 1960 - March 28, 2026

Michael Eugene “Mike” Haddock, 66, of Bartlesville, Oklahoma, passed away on March 28, 2026.

Born on March 10, 1960, Mike had just celebrated his 66th birthday. He lived a life marked by independence, hard work, and a deep love for his family.

Mike was a master carpenter, a skill that reflected both his talent and determination. He spent years building for others and working toward building a home of his own. He appreciated the outdoors and found peace being in nature—he loved to travel, fish, go boating, and search for arrowheads.

He was always a social butterfly in his own way. In earlier years, he enjoyed going out dancing and spending time with friends, often sharing a beer and good conversation.

Mike was preceded in death by his parents, Harley Eugene Haddock and Beverly Ann Haddock.

He was the oldest of three siblings and is survived by his brother, David Haddock, and his sister, Lisa Fox.

Mike was a father to four daughters: Crystal, Stephanie, Heather, and Michaela. His daughters, along with their families—including grandchildren

and great-grandchildren—carry forward his memory.

To some, Mike may have seemed guarded at times, but those who knew him best understood there was more beneath the surface. He loved his family, was proud of his daughters, and was always there when it truly mattered.

He was human—imperfect & independent. And he was loved.

In accordance with his wishes, Mike was cremated and no formal service will be held.

His memory will live on in the stories, lessons, and quiet moments shared by those who knew and loved him.”
