

Michael "Mike" Hamilton Smith

June 1, 1967 - October 30, 2021

Michael Hamilton Smith, also known as Mike or Mikey, died in Bartlesville on Saturday, October 30th. Mike was a well-loved member of the community who touched the lives of many. He was 54.

Mike was born on June 1, 1967 in Oklahoma City and graduated from Bartlesville High School in 1986. After residing in group homes in Midwest City and Bartlesville, he lived independently for most of his adult years, thanks to the help of ARC and the support of family and friends. Mike loved being active around town, spending time at Hillcrest Country Club, Jane Phillips Hospital, Malone Motor Company and Patriot Motors, area fire stations, and Bartlesville Ambulance Service. He enjoyed attending local sporting events, usually gravitating toward the EMTs on duty. Mike proudly claimed membership in over a dozen area churches through the years, choosing to be baptized in each one he attended.

Mike's preferred mode of communication was the telephone, and he had memorized hundreds of phone numbers of friends, family, and acquaintances well before the age of speed dial. It was a known fact that once you shared your phone number with Mike, he remembered it for life. Visiting on the phone was always one of Mike's favorite hobbies. He also frequently made it a point it to tell ladies he encountered that they were "so pretty." (Note: He always meant it.)

The Bartlesville community lovingly and generously embraced Mike throughout his life, giving him rides around town, inviting him to family gatherings, taking him to football and basketball games, and welcoming him into their lives. Mike especially treasured his close friendships with area fire fighters, EMTs, police officers, and other first responders, who made him one of their own. In 2004, Michael was named Honorary Fire Chief of Oklahoma, a title he was very proud of.

Mike is survived by his parents, Dr. William D. Smith and his wife Pat of Bartlesville, and Gerre Schwert and her husband Doug of Owasso; brother Douglas Smith of Tulsa; sisters Ree Drummond of Pawhuska and her husband Ladd, and Betsy Smith of Seattle; as well as loving aunts, an uncle, cousins, nieces, nephews, and step-siblings.

Mike's family wishes to extend special thanks to the staff and administration of Bartlesville Assisted Living for their devoted care of Michael.

Finally, the family would like to express their immense gratitude for the care, encouragement and abundant love the community of Bartlesville has extended to Mike through the years. It made his life wonderful and full, and there's no other place he ever wanted to live.

A celebration of Michael's life will be held at Bartlesville First Church, 4715 Price Road, on Tuesday, November 9 at 1:00pm.

In lieu of flowers, Mike's family requests contributions be made to:

“ *Michael, as he preferred to be known later in life, was my best buddy for 28 years. Although he was limited, he knew how to be a true friend and he always had my back. His was a higher soul than most and I feel so grateful that he was on Earth during my lifetime. I cherish the many wonderful memories we shared and I monumentally miss his sweet presence...the Earth will never be the same. Thanks for always loving me faithfully, Michael. See you on the other side, buddy!*

“ *I remember meeting Mikey soon after we moved to B'Ville. He made me feel like I belonged here. I greeted him, and he turned to my husband and said "she's pretty". What a welcome to a new town!!! Bob and I have often thought about him and hoped he was safe and well. We know he now is ... in the arms of our God and Jesus.*

Mikey, you are a loving soul that we hope to see in heaven because we know you are waiting on seeing many, many more friends you made on your life's journey.

“ *The Peters Family was so very sad to learn of Mike's passing... Many fond memories of his visits to our Bartlesville home. Mike always called me his girlfriend, but I've learned that he had many. Mike made a multitude of friends and admirers over the years ~ He was always so happy to join in whatever was happening around town. Such a loss for all who knew him. Heaven is surely celebrating his arrival. (I loved reading that he was baptized at all of the churches he regularly attended.) Love, thoughts, and prayers to all of the Smith, Schwert, and Drummond Families.*

“ *I was so very sad to hear of Mikey's passing. He would come across the street to see if I wanted to 'play' every time he was at Gaga's house in Nowata, back in the day!! Even tho' I hadn't seen him in years, as I now live in TX, it sounds as tho' his kind spirit lived on. I loved seeing him on 2 of Ree's Pioneer Woman episodes!! All that knew him throughout his life were blessed. . .*

*Much Love to all the family,

“ My Grandma Barnes lived across the street from Mikey’s grandma, Gaga. When he would come to Nowata to visit Gaga, he would also visit my grandma. She loved his visits! They would always find something to laugh about. Mikey brought a lot of joy into the world. He will be sorely missed.

“ Mike would always brighten my day. He spent most of 14+ plus years making my office at JPMC his office (it was a good thing I had a big office). He would come in just about every morning, tell me what he did the night before. Then he would start making his daily phone calls. He would call me every day when he was out of town visiting his mom or friends. When I told him I was having to transfer to Tulsa we both cried. I made sure he had my cell number and called me just about every night so that we could catch up. Michael was a true friend, I loved him dearly.... Michael we will see each other again. Love you, Shelly Rader Jones

“ When I moved to Bartlesville in 2006 Michael (aka Mikey) was one of the first people I met in town. I spent time at Camille's cafe in the Mall until my internet was hooked up in my house and then I would walk laps in the mall. He came up and introduced himself to me, said hello and flashed his great big smile. He made me feel welcome in a town where I knew very few people. Every time I saw Michael he always said hello, chatted, and called me Blondie Girl even though he knew my name, it was our inside joke. He was a true ambassador for Bartlesville and a sweet and caring person. You will be so missed Michael, you were one of a kind and when I come home for visits I will so miss seeing your smiling face. Thank you for being a sweet friend and making so many people feel welcome. May your memory be a blessing to all who knew and loved you.

“ I chose this picture because it shows who Michael was. He loved everyone! Who could resist his smile his genuine interest in ambulances and fire trucks and police cars. He was so excited when he got to go on the ambulance on a real call. Michael behaved very well and actually helped when asked. I have known Michael over 40 years. We spent a lot of time together. I enjoyed his company on some vacations we took and he was always grateful. I remember one time when he was washing the company dog. It was a hot afternoon. I looked out the window and he was on the floor having a seizure. Scared me like crazy. That's when I learned he had a seizure disorder and that was normal for him. So many memories, his impact on everyone is immeasurable.
