

Michael Bradley Proctor

November 17, 1951 - March 20, 2020

Michael B. Proctor, 68, passed away at his home in Bartlesville, Oklahoma on March 20, 2020, after a brave and courageously fought, 10-year battle with cancer.

He was born November 7, 1951 in Kansas City, Kansas to Joseph Bradley and Elizabeth Ann (Laird) Proctor. He attended the Bartlesville Public School system and graduated in 1970 from Sooner High School. He received his Bachelors in Hotel and Restaurant Management from Oklahoma State University. Mike met Margo Brown in the 7th grade, and they were married December 21, 1974 in Bartlesville. Michael started his career at Ace Glass working with his father. In 1983 he started Architectural Fabricators Company where he was President and Owner until his death. He enjoyed working alongside his son for the past 19 years.

A loving husband, father and friend, Michael's smile could light up the room. His unquestionable love for his family was evident in all he did, from coaching every sport Drew ever played to taking Megan to lunch every single Monday. He loved his 2nd job as Sweet P's handyman and was always willing to help out a friend. He always had a project for his grandkids, whether it was carving pumpkins, making a butterfly garden or helping in the yard, nothing was too messy! He was extremely creative, compassionate and hard working. He ran AFC with an employee first mindset and was personally invested in each of

his employees. Some of his favorite pastimes included cheering on the OSU Cowboys, making pottery at Hopestone, playing golf with his Brothers Fore and Big 8 golf groups, and shooting at the gun club with the guys. He was an avid gun collector, gardener, and gourmet cook.

Michael was active in the community; he was a member of the Chamber, President of the Bartlesville Sportsman's Club for 7 years, past city councilman, past president of Hillcrest Country Club and involved with many other organizations that benefitted the community. He was a member of Grace Community Church and treasured his prayer group led by his friend Tom Litter.

Michael is survived by his wife, Margo Brown Proctor; son, Andrew M Proctor and his wife Megan Standridge Proctor and their three children, Pierson, Karsten, and Harlow; daughter, Megan E. Proctor; brother, Pat Proctor; and his good and faithful constant companion "Annie."

Memorial contributions may be made to AbilityWorks (formerly ARC/Employability), 501 S. Virginia Ave, Bartlesville, OK 74003, or Hopestone Cancer Support Center, 206 SE Frank Phillips, Bartlesville, OK 74003.

“ *Mike was a great man and I consider my role model! This Irish S.O.B was the toughest person I have ever known.. thinking back “now I realize his TOUGH love”, I remember when he poked Drew on the forehead for dropping out of OSU with his nub of a finger .. LOL!*

Heheh I first met Mike, I picked up payroll for for the employer he backed (financially) and later worked for AFC for years or less for he gave me the idea to subcontract to him and told me I had better things to do in life and... I WILL NEVER FORGET HIM.

I think I will make the drive to b-ville and pay my respects and go see who is still at AFC. I JUST. Will!

Sorry to Drew, Mayan and Margo for you lost a fighter.

“ *Margo, Drew & Meghan, so sorry to hear the news of Mike passing. I met mike as my first landlord In Bartlesville when I rented the old Ace Glass building in the late 80's. From there he became my best friend in town as I was a single dad with a son the same age as Drew. Mike helped me in so many ways both personally and in business. Many good times were had as your family shared your home with me and Derek. The few times I was able to see and talk to him in the last 5 years was an inspiration for me to see the amazing attitude he maintained. I will miss him. Love to you all during this difficult time. “ Margo, Megan and Drew... We are so sorry to hear of your loss of Mike. He was the sweetest, kindest most serving man. We have great memories of times with you and Mike in our Small Group with the Tinkers in Bartlesville. I don't think Mike has ever met a stranger! He had the most inclusive spirit and desire to communicate and want to know everyone who crossed his path. He was and is definitely a gift. Praising God he's in the presence of the Lord now! Our deepest sympathies to your family. Much Love!

“ *Margo and family,
I'm so very sorry to learn that Mike's cancer was such a struggle over time and that he finally succumbed to it. I have always thought that you and Mike were such a perfect couple because of your energy, smiles, and warmth. You both have a tender spot in my heart, and though I have not seen you in years, the memories I have of growing up with both of you...your laughter and friendliness...is a testament to the wonderful kind of people that you both are. My sincerest love and condolences to you as you move through this difficult time.*
