“ I am so sorry for your loss Aunt Anita, Shelley, Shawn and your families. I know he will be sorely missed by you all. He was such a kind, contagiously funny Uncle. My first memories are him hiding around the corner to jump out and scare us followed by him laughing that hilarious laugh of his. As a kid I always loved, trusted and looked forward to spending time with him. As an adult he helped my husband and I fix our fix her home with that same calm, "mustache" smile telling me it would all be fine...then refusing to let us pay him. He was a one of a kind man that I am sure touched everyone he knew in a positive and profound way.

“ I remember Uncle Mike best at our big family reunions. Especially around Easter and the 4th of July. He would always run and do all the fun stuff for us kids because he was only 11 years older than us even though he's our uncle. He's always been a big kid at heart. Our family has lost a great man and God has gained such a blessing. All my love goes out to Anita, Shelly and family, Shawn and family. Sending love and prayers your way always. Debra

“ We remember Mike as kind and humorous! He loved his family more than anything. We will be praying for Anita and all the family to find comfort in knowing he is pain free and for the peace of our Lord to surround them all.
