“ Molly was one of my students in Nowata. What a delight she was. She would come in after school and we would visit. I like the picture you posted with her beautiful smile. She wore it even when there were not days to smile about. My sympathy to her family and friends.

“ Molly was a former student of mine and our neighbor before that. She was always smiling and cheerful. She was so patient and kind to my daughter (who was younger than Molly) when they played together. The picture of her sweet smile is how I remember her. Sincerest condolences to her family.
