“ *I'm so sorry to see that Monte has passed away. I knew him through Christ Cupboard for several years and liked him and felt so bad for the physical infirmities he had to endure. I hope he's at peace now. I wish I had known he was sick. God bless the family. Alma Hager*

“ *Monte was not just a Brother In law. Monte was a dear friend. One thing that you can say about Monte, He lived his life his way. He enjoyed friends & had a soft heart. I wil miss him very much. When I think of him, or just hear his name, I know that I will smile because of our so many memories together.*
