“ *For some reason my share never appeared so I'm going to try again! I miss her wonderful laugh, her outlook on life and her constant support and checking in on me. I feel blessed to have been helpful at the hospital several weeks ago and loved her so much. We became friends at OXY and continued our friendship these past years. My heart goes out to you Stacey, and to you Jimmy -- didn't realize who you were until after the funeral and apologize I didn't give you a hug. She lives on in my heart.*

“ Myrna was a such a great cousin! She was always so fun to be around. We always had wonderful times when we came back to Kansas from California and then went down to Ramona to see my mother's relatives. I loved Myrna's house in Ramona. She took such good care of her grandmother, my Aunt Ella, in her home. I will also never forget when Myrna and Aunt Lois came to California to see us. What special people! I loved her witty humor and fun spirit. She had such a generous heart and sweet disposition. How could anyone not love her?! She was so good to keep in touch with relatives, even though we were many miles apart. I always enjoyed it when she called and when I got to see her. I will really miss getting to talk to her. Please do keep in touch Stacey! I send my love and deepest sympathy to you and Jimmy and your families.

“ *Myrna had such a servant heart. She was fun to work with at OXY and was always looking out for our team. No one could proof read better than Myrna! Nothing left our office with a typo. Have enjoyed keeping up with her since we all left OXY and Stacey and Jimmy, you know that means keeping up with you too. Cherish the memories and value her friendship. Love, Joanne Grant Sellers*

“ *Dear Myrna, I was so lucky to van pool and car pool with you for many years going back and forth to Cities/OXY. You made an otherwise boring trip so much fun, even when you were sick. I admired you so much and loved you too. You could light up a room with your smile and your laugh! I'm so glad I got to spend time with you. You were kind and funny and feisty. I'm so glad your last years were so full and loving with your guy. Thank you so much for being so caring after we lost our Denise. Thank you for being my friend. Please give kisses to Don and Denise for me. See you again some day.*

“ Myrna,
We are so thankful that you were a part of our family, you always had a way of making me laugh. I will miss how you would tell Dad it was Brenda Brenda when I called. You became a part of our family and you loved us well, we will miss you but will be reunited with you someday soon as we meet our Lord.

“ Oh, Myrna, how we all will miss you. You have always been a favorite cousin of mine.
I wish to share a little story of something that happened years ago. When I was just a little guy, I was struggling to learn how to tie my shoes. No one could figure out how to teach me, except Myrna. She saw that I was left-handed and everyone trying to teach me was right-handed. She took me in front of a mirror to show me, and I immediately caught on how to do it. I know you are in Heaven now, Myrna, and when we meet again (and I know we will), I'm counting on you helping me if I have to learn all over again how to tie my shoes! Love and miss you so much.
