“ *Our Condolences to the Family. Had the honor to make friends with Nancy through Wayne and Patty. Had a few dinners out together. She loved when Wayne would bring her to the house to visit. Although she never wanted to get out of the car. She will be missed dearly.*

*I remember making the trip to Bartlesville many times to eat at Murphy's. We would always go pick up Nancy and take her to eat with us. Nancy has been a dear loved family member for almost 40 years. She will be in fine company. My sincere condolences to my brother in law Ken & his family.*
