So sorry. I have fond memories of her and Wally when they lived in Santa Rosa, CA. My parents (Maxine & Bob Van Winkle) were good friends.

“ Nancy Lee was the best big sister a girl could have, and I was blessed to be the little sister who received her abundant love and tenderness. My heart is broken at her passing but am consoled to know she is with her Lord, and family and friends who have gone to Heaven before her. My love and prayers are with each member of her very large and beloved family. Peace to all. - Aunt Barbara
