“ *I was greatly blessed by knowing Nancy. I especially enjoyed her independent and good humored nature. I imagine she will be a terrific, spunky angel.*

“ Nancy as your big brother I want you to know I will miss you untill we get that chance to meet again. I have lots of childhood memories to last me a lifetime. You took each day one day at a time and never complained. I hope you will help me to live each day as you have. I will miss you, but more importantly I will always LOVE you! Love Always...your big brother.
