“ *In loving memory of my beautiful sweet sister girl... Sister Nikita Nevilles... I have so many memories and moments prayers with her there is no way that I could list them all. One of my Fondest Memories is when I was over to her home she and her husband had cooked cabbage and greens. I had never heard of such a thing. They offered it to me and I thought oh my goodness what in the world... I tasted it and it was magnificent it was wonderful it was really good. They just laughed about it and I continue to laugh and wonder about itthat is one of my favorite memories one that I shared with her often and we both laughed about it I've never had that it again. To her family. Be encouraged. If the Lord say so we will see her again. Rest in peace my beautiful sister.*
