“ I shared an office at Jarboe with Nina for many years, she was a wonderful women and a friend. She loved her family so much, she would tell her wonderful stories of her life and travels when her husband was in the military. I loved hearing all about the different places they got to stay thru out the years. She lived a very full life and I was blessed to have gotten to enjoy time with her at work. She will be missed by all that knew her. Thinking of the family during this time, prayers for you all!
