Billy and I thought the world of John and Kay. We became close friends, almost from the time they came to Grandfield. We shared so many fun times through the years. Kay was a wonderful friend to me, and I know I was truly blessed to have her in my life. I loved Kay and she will always have a special place in my heart. Sending my deepest sympathy to you, John. I saw firsthand how much you and Kay loved each other. Praying God will give you strength in the sorrowful time.
