

## Norman Lee Kincaide

October 17, 1937 - October 11, 2025

Norman Lee Kincaide was born to Kenneth Cleo Kincaide and Rose Ward on October 17, 1937. He and his brother Kenneth were raised and attended school in the Ramona area by his mother and step-father Jim Nicholson. He married Rosella (Rosie) Crabtree on August 10, 1962.

During his early career years he had an opportunity to put hands on Apollo 11 as part of North American Rockwell's team and later held a variety of positions at Phillips 66 and Reda Pump. After retiring, he spent countless happy years behind the wheel of a tractor, on a skidsteer and working cows. But his true calling was serving others, often anonymously, providing help to anyone who needed it. He served as a Tulsa State Fair Chaplain for over 25 years and was a proud member of the Gideons International as it was important to him to make sure others had access to the Word of God and the opportunity for salvation.

Family was extremely important to Norm and included the love of his life, Rosie, daughter Kelli Blair and husband Miles, son Tyson and wife Angie; grandchildren Kayla Packard, Dustin Blair and wife Emily; Brandon and wife Jordan; great grandchildren, Brooklyn, Paxton, Breeze, Carter, Jace and Xander.

He is survived by his immediate family, including sister, sisters-in-law,

brothers-in-law, multiple cousins and those who were considered family.

In lieu of flowers, please make donations to Gideon's International

“ Norman and Rosella were great friends with my Dad. He thought the world of them both! I've known them my entire life and they have always been such good and giving people. My car needed an engine and I had no way to get to work and they had an extra truck and without even asking them they loaned the truck to me with for as long as I needed it! Norman also drove 5 hours round trip to come to my Aunt Maggie Chitwood's funeral ( my dad's sister) just to be there for support. I've never known a finer man or woman in my life. Love, hugs and prayers to Rosella, Kelli, Tyson and family.

“ My Thoughts and Prayers are with the Family during this time. Norman had such an influence on my life and so many others always, leading by example he was a man among men. His door was always open, coffee was always hot, and one of Rosie's cookies was close by. He was always ready to listen or help in any way that he could. I take comfort in knowing he had a first class ticket to Heaven and we will see him soon.

“ I just wanted to say how truly sorry I am for your loss. I only had the chance to care for Norm for a short time, but he quickly became someone I looked forward to seeing each day. He was such a sweet, gentle man, and it was so clear how much love he and Rosie shared. The way they looked at each other spoke volumes. Even though my time with him was brief, he left a lasting impression on me. I feel so grateful to have met him and to have been a small part of his care. My heart and prayers are with you and your family during this difficult time.  
With love and sympathy,
