“ I called Diana (and Joe) my friends for 35+ years and over the years - just every now & then I would stop by to visit , and always enjoyed our conversations. Whether it be about the "old" bands or concerts that she had attended\*\*\*DIANA KNEW HOW TO ROCK!!!\*\*\* She always had a joy about her whenever she talked about Jaylyne. She loved to brag on her "holiday decorating skills' that were all through out the house but especially on the mantel. You could tell that it delighted her with Jaylyne being her "MINI ME' and she loved the mantel looking nice.( saw Joe had it done / looked good) Diana always spoke with pride & love about their boys and their lives. And of love & respect she had for Joe and their relationship. So I'm sure in many ways she is still with you all. \*\*\*Well, Diana, I enjoyed having you for a friend {{{ LOVE ya my sister hippie chick}}} you will be missed...
