“ *My Grandmother(Della Watts) lived next door (on Kaw Street) to Olive Weldon and her husband for many years. They bought their home from Olive and her husband. Olive was a very sweet person and always so kind to everyone.*

“ *Olive was a sweet, caring woman. I have known her for over 40 years. My sister and I called her "Aunt Olive". She cared for us as if we were her own nieces. I have kept in touch with her throughout the years. She has always been an encourager in my life. I have many letters and poems she wrote for me. She and I share the same birthday. I will miss her greatly!*
