“ *Otis was a good man with a great heart. Bryan thought of Otis like his own father. Otis went out of his way to do for others. He was there when he thought Bryan needed help with no questions asked. He will be missed by many.*

“ Otis ... Heaven has gained an amazing Angel 🙏, but know that your physical presence will be missed by so many. You were such an awesome Friend to Bill & I, as well as too many others to mention. Always ready to lend a hand to others. Sharing such a great many things with You & Ruth has given many memories to make me smile always, card & marble games, golf outings, and many more. You were always able to get me with your ornery sense of humor and gave us all a good laugh. Fly high my Friend 🎈 - see ya later ❤️

Ruth ... there are no words to say how sorry I am for the loss of your person.

40 years of love & laughter was such a blessing. May those memories give you comfort during this difficult time and bring an occasional smile through the tears. Love you 🙏🙏🙏💕
