“ *I love you and miss you mom. You were my best friend, my inspiration and my heart..I still don't want to believe that you're gone and that I'll never again hear you say "I love you darlin". I promise to try to be as strong as you were and take care of our family the way you always did. I'll even try to make sausage bread. Life will never be the same without you here but heaven is a better place with you there...I love you so much.*

“ *I'm so sorry that I will be unable to attend your services. Travel isn't in my cards right now. When Sis told me that you had passes, I started remembering how much fun we had as kids. It was always fun to come to your house. We played hide & go seek. So much fun as kids. Sorry life dealt you such a bad hand. My prayers are for your family now. Your up in heaven talking to Bud & Jim. Dot.*
