“ *To the Oulds Family,*

We want to send our dearest sympathy to you all. Pat was such a wonderful person and sister in Christ. Whenever I saw her, she was taking care of someone in need. May your hearts be warmed knowing the impact she had on others.

“ Patricia Oulds was my sons teacher at Jane Phillips several years ago. She was great with the kids and I know she made a difference in many of her students lives. Although my son was her student in the early 90's I would see her at Walmart every now and then and she always asked how he was doing. So sorry to hear of her passing. Thoughts and Prayers to her family.

“ *Pat , You were an amazing lady. Your influence in Kaylee"s life can still be seen today. And the look on your face when I told you I had gone back to college helped me push through and graduate with honors. You will be missed my friend.
