

## Patsy Ann Caldwell

June 14, 1954 - October 1, 2023

It has been said that change is the essence of life and Patsy has lived through a life of changes. Her greatest change was made three years ago when she made the first step to get clean. She knew she would eventually leave this life for an eternity in heaven but she was determined to do that free of addiction, and she did. She passed peacefully on Sunday, October 1, 2023, leaving behind all who loved her to be reunited with the one who loved her the most and who was with her through every single life change.

She leaves behind 4 beautiful children: Lois Martin of Jacksonville, Ark., James "Bubba" Drennan & wife Renee of Milton, Fl., Laura Drennan Seigrist & husband Damon of Scott, Ark. And Joseph Drennen of Joplin, Mo. Two sisters Melody Brock of Hot Springs, Ark., Florence Hancock of Caney, Ks and a brother James Collins of N. Little Rock, Ark. 10 Grandchildren, 14 great grandchildren, 3 neices and 3 nephews and a whole bunch of friends who loved her dearly.
