“ *Patti was special to me in so many ways -- she always had my back - always worked WITH me, no matter what the task. I know there is no mother who could have loved her children more -- we used to talk about how you could "attack" her, but NEVER her kids!*

“ Patti was always such a fun and beautiful girl. I call her a girl
because she went to school in Dewey, a bit younger than myself.
She was the life of the party and had a knack to let you know just
where you stood with her. She loved her family and I know they will
miss her. Patti was an inspiration to all who knew her.
