“ *Paul was probably our best friend. He was always there for us...if it was some situation or if we just wanted to hang out. Sorry it lacked time in the last few month to spend more time. But we will see you again Paul, that I know. And my sweet friend Deena, please call me if you need anything or again...just hang out and spend time. We love you so much* 💕

“ *Dad, you were always a hard worker and taught us that nothing in life is free and if you want something go after it. Thank you for all you have done for us.*
