“ *To anyone who knew my Daddy, you know he loved to joke. If you hadn't seen him around in the last year or so, it is because he was battling Alzheimer's and blindness. My sweet Momma took care of him and kept him at home until the Lord called him to his forever home on May 8th. He was 88 years old and he and Momma celebrated their 66th anniversary in March. Thank you to everyone who has reached out to our family in this difficult time. Your prayers and love are felt. I love you Daddy and I will forever miss you! Your daughter, Marcy*
