“ *It was a wonderful part of our lives living next door to Pauline when our children were little! She cared for our first son Gary when I first started working. I didn't trim Gary's curls for a long time and came home from work one evening and Pauline had put his hair in a pony tail and Gary had on one of Christie's dresses. He looked so cute and we all had a big laugh but it did make me trim up my boy's curls!!!! We also still have Barbie clothes that she sewed for my daughter. It was a pleasure knowing you Pauline and family!!!!*
