“ *Phyllis came to Boone so we could meet when she was 90 years old. Me, age 70, would be her sister-in-law. My brother, Daniel M. Keeney was never mentioned in the obituary. This may be part of her religious beliefs. She had a vast amount of knowledge about the school system. My mother taught elementary children so she could see where Dan got his education. Thank you to Marietta for sending us the funeral handout and info.*
