“ I was sad to hear of Polly's passing. To her family and friends sorry for your loss. I was Polly's caregiver for several years enjoyed our many hours of visiting and listening to her stories of her childhood growing up in Niotaze. I enjoyed taking Polly on drives to look at Christmas lights, we spent many hours playing Yahtzee and Chinese checkers. She loved her family friends and her fur babies. Polly was a very friendly person she never met a stranger, she was a mom to most everybody she knew. She enjoyed the times that my children came to visit, not having any children of her own she loved kids. Polly was a good friend and I will miss her dearly. Fly high my friend love you. I will always miss you I'll see you again someday.

“ I met Polly a few years ago while I was driving the van that took her to the doctors. We hit it off immediately. Polly her care giver at that time Stella and myself had a long standing joke about peanut butter. In fact we named ourselves as the peanut butter girls. We enjoyed each other time together no matter how short or how long. it was never long enough for us. She will be missed greatly. Love you Polly I miss you already and so does Stella.
