“ *Etta. just wanted you to know I have been thinking of you. I was so sorry to hear about Quincy. Always enjoyed spending time with him, and getting that occasional smile. He had beautiful eyes and a sweet smile.*

“ Etta Jo, Steve and Charlie,

My childhood is full of memories with your family. I so wish I could be with everyone tomorrow to celebrate the life of Q.E.- a well loved husband and father. I still think of him as a vibrant man full of laughter and zest for life. I trust that he is now whole and full of joy.

“ We both were very fond of Uncle Q.E. William remembers working with Q.E. to close out the estate of Grandma and Grandpa. William respected him and liked him a lot. As for me, my sister, Lisa, and I both loved all the extra attention we would get at family get-togethers from Q.E. Since he didn't have any daughters of his own he seemed to take quite a shine to us!
