“ So proud to be able to call Corky my friend. Definitely a man among men. I had the privilege of working with him at the Osage County Assessors office where he was not only my co-worker but a mentor and a friend. He always told the new guys "Your most important job is to make me look good!" I can honestly say that I did everything I could to never let him down! Besides work, he taught me an appreciation of western swing music. I'll never forget when he brought his band to play for my parents 50th wedding anniversary, I thought we were getting a 3 piece band and he showed up with 7 musicians and twin fiddles!! It couldn't have been better if it was Bob Wills himself!! To his family, our prayers are with you just know he will always live forever with me!

“ When in high school I had to go to youth court because of a traffic ticket and was sentenced to a number of week end sessions at the police department. The training person for this punishment was Sgt Corky Davis. It was a pleasant experience. I graduated from College High in 1967 and I still remember him.

“ What a great guy he was, always had a smile on his face. Proud to say he was my friend. He was a mentor for so many musicians and young people who wanted to try their hand at being a singer. I know many will miss him, but none more than the members and former members of his bands. We offer our most sincere condolences to Cherri and all his family.

So long my friend...

First met Corky in 1980 when I was applying to various Police Depts. What a great man he was and an inspiration to many young officers. Heard his group play music a few times, always had the crowd smiling. He will be missed by many friends and neighbors.

Corky and Cherrie are like family to me and Dee. We have so many memories, all the way back to kids. He is what I consider a real buddy! A tough Cushing high school TIGER! We will cherish the life long memories, (maybe forget a few) Love you Cherrie and family.
