“ *I found out Randy left us several weeks ago. Unbelievable. Randy never saw himself as better than anyone and was always smiling. Of course we would wonder what he'd been up to bc of his smile. I can say it now that most of us girls had googly eyes over Randy. I can hear the girls giggle now.*

Robert, Randy and I went to Stillwater, OSU, and they were nice enough to give me a lift back home. Whew! I sat between the 2 Fitzsimmons' brothers!! I was always nervous but they made me feel comfortable on that long road back.

Many prayers for the family as they try to maintain some normalcy through each day and esp on the holidays.

“ My prayers are with the family of Randy right now. I know it's hard right now but remember the good times for sure.

I went to school with Randy at Wann Oklahoma and have some very fond memories. He was such a kind and friendly person. One I have is when we were in the Gym just messing around and he decided he wanted to dunk the basketball. Well he ended up breaking his arm, and if I recall it was his left one. We also loved his writing and loved the way he wrote with his left hand. Randy was a very kind person and one I will always remember.

My heart and prayers are with the family. Linda Darrow (Ward)
